PERMIT NUMBER: B12-1037

ADDRESS: 1402 MAPLE ST

DATE OF ISSUE: 6/13/12

ISSUED BY: JJS

DESCRIPTION: install triple wide and pge hook-up

NOTICE: THIS PERMIT CARD AND APPROVED PLANS MUST BE KEPT DISPLAYED IN A CONSPICUOUS PLACE ON OR IN THE BUILDING WHERE SAME CAN BE READILY SEEN BY THE INSPECTORS.

Each stage of construction must be inspected and approved by an authorized Building Inspector in accordance with the City of Redwood City Code.

Do not proceed with a concrete pour, lath paper, insulation, drywall, roofing, etc. unless the proper permits have been issued, and all the required inspections have been approved.

This permit shall expire by limitation if work authorized is not commenced within 180 days or if work is abandoned for more than 180 days.

The building must not be occupied until all required final inspections have been requested and certified below. A Certificate of Occupancy is required for all new buildings other than single-family dwellings.
