

# PARKING POLICY

Effective 09/01/2005

## **ATTENTION ALL MEMBERS, FAMILY and FRIENDS:**

Parking is limited at the Center. For your safety and to adhere to regulations, please follow Bair Island Aquatic Center's new approved parking policy:

1. A drop off/ pick up area has been created by the front gate. "Loading – No Parking" signs clearly mark this area. Traffic must continuously move through this area, stopping briefly to drop/ collect athletes. This is NOT a waiting area. If the person you are collecting is not there, you must move on.
2. A short term parking area will be created alongside the boathouse and behind the boathouse. Waiting will be restricted to 20 mins in this area during the months Sept – May, and between the hours Mon – Fri: 5.15 – 7 am and 4 – 6pm, Saturday: 7-11am.
3. Long term parking is available before the left hand bend on Maple Street, in front of Frey's Trucking.
4. Additional parking is available at General Hardware Store, located at the corner of Maple Street and Blomquist Street.
5. Public parking in other areas may be utilized e.g. opposite the boathouse, opposite Docktown.
6. Double parking is prohibited at all times.
7. Carpooling is encouraged where possible.
8. When carpooling for a race or event, avoid leaving multiple cars at BIAC. Choose an off-site location for your rendezvous point.
9. When loading/unloading trailers position barriers with flashing lights on both corners, watch for traffic coming from both directions and wave drivers around. Be quick, courteous, and safe.
10. For your safety and security, do not leave valuables visible in your car.

Please see over for parking diagrams, as provided by the City of Redwood City.

If you have any questions please direct them to your program leader, coach or myself.

Thank you for your cooperation and continued support.
